## UPDATE TO ALL FAMILY AND FRIENDS

Hello, I visited a few home areas today and everyone is doing well. I am very proud of the wonderful staff at St. Pat's and grateful for their ongoing commitment to the people who live here. It is quiet here without the hustle and bustle of visitors, but we are managing. I know that skype and telephone calls continue and our window visiting program has been started. My office is beside where the window visits are occurring which gives me a small glimpse into how important all of these communication channels are to keep everyone connected.

We thank you for your continued messages of support and thanks, which we are communicating to staff. We have changed our Welcome Board to recognize the staff who continue to come to work even in these uncertain times. We are doing draws for the staff and their pictures will be posted here as well. We will continue to add comments and thoughts to the Board going forward.

Today we had some excitement as a fire pull station was pulled by accident by a resident. We got to have an unscheduled fire drill 'practice'!

We are planning a dance party on Monday, March 30 at 11:30 am. Get your dancing shoes on, practice the 'Chicken Dance' and join us in spirit.

Take care of yourself
