UPDATE TO ALL FAMILY AND FRIENDS

Hello, I want to share with you pictures of a random act of kindness that happened yesterday afternoon. I was in my office dealing with emails from the Ministry of Long Term Care, Public Health and LHIN who are providing regular guidance and directives to LTC across the province, when I heard bagpipes. Bagpipes are not something I hear regularly outside of my window! I looked out and saw a young gentleman playing in our parking lot. He played a number of songs for the residents and staff. I went out to speak to him (using appropriate social distancing!) and he told me he has no connection to St. Pat's but thought he would come over and play. It was so heartwarming and kind of him.

This is the wonderful community we live in, these are our neighbours, friends and families. His picture will be on our website and on the Foundations website soon, so we can acknowledge this kind soul who thought of St. Pat's during this challenging time.

Stay home and stay safe,

Janet Morris
