UPDATE TO ALL FAMILY AND FRIENDS

Hello,

Happy Easter to all, although it is an **unusual** one, I hope that you are celebrating virtually with family and friends. As the Premier announced a few days ago the Easter Bunny is considered an essential worker and was able to visit St. Pat's last week. A few laughs and some fun when the Easter Bunny arrived. He was also able to celebrate a couple of birthdays, including for a resident and a staff member. Note the social distancing!

Today, I am thankful to be able to say that we have no known positive COVID-19 cases including residents and staff. The staff continue to monitor all the residents for any respiratory symptoms with a twice daily temperature check and assessment. Staff continue to have temperature checks entering and leaving the building and as of Thursday, all staff are wearing procedure masks. We continue to work very hard at keeping everyone safe.

Take care of each other,

Janet Morris
President & CEO
