UPDATE TO ALL FAMILY AND FRIENDS

Hello, as you have no doubt heard in the media that LTC Homes are now the 'front lines of the fight against COVID-19' according to the Premier Ford and more resources will be flowing to LTC in the future. We will be appreciative of anything that can support LTC Homes across the province.

The other news from yesterday was that the province employees in LTC Homes may only work for one home. We are very thankful that we addressed this a couple of weeks ago. We have been successful in hiring a number of new staff in a variety of positions including recreation, nursing, food services and housekeeping.

The 9 Ipads funded by the Foundation have now been received and they are set up with face time and skype, so we are now facetime compatible! If you are interested in using facetime instead of skype or telephone calls please contact the appropriate recreation staff member:

Elizabeth Stevens – Galway at ext. 274
Elsa Aga - Carlow and Cave at ext. 279
Erika Hollander - Donegal and Dublin at ext. 277
Mitchell Haslam - Kilkenny and Kerry at ext. 273
Robert Ienzi - Waterford and Wexford at ext. 230

There are no known COVID-19 cases at St. Pat's as of today.

Be well and take care of each other,

Janet Morris
President & CEO
