UPDATE TO ALL FAMILY AND FRIENDS

Hello, we received a few test results yesterday which were COVID19 negative. We are still awaiting the results from Galway's swabs. While we are waiting for these, the residents remain on full isolation precautions.

I can appreciate that as the weeks continue with the restrictions in place that everyone is feeling sad and lonely. We will continue to reach out virtually and try our best to keep residents connected to you and you connected to them.

Be well and safe,

Janet Morris
President & CEO
