UPDATE TO ALL FAMILY AND FRIENDS

Hi, we have no new positive cases today!

The response to the porch visits was very enthusiastic and with our beautiful weather we were able to have two visits today!

We are working on the schedule to try and get as many visits as feasible given the staff time to escort the residents for the visit. We are also limited in scheduling as we cannot have two residents visiting at the same time. We are trying our best to facilitate these visits within the public health guidance, **which must be followed without variation** and staff availability. Thank you for your understanding.

A big thank you to the Beggan Family for donating a much appreciated pizza lunch for the staff today!

Be safe and well,
