UPDATE TO ALL FAMILY AND FRIENDS

Hello, we are very happy to be able to report that we have no positive test results as of today.

Waterford residents have started to participate in window and porch visits and we are so happy that they can resume these.

Kerry continues on full isolation precautions while we complete the 14 day incubation period.

We are very appreciative of all of the kind words and thoughts from you for the staff and the great job that they are doing.

Be well and safe at home,

Janet Morris
