## **UPDATE TO ALL FAMILY AND FRIENDS**

Hello, once again we are very happy to report that we have no new positive test results today.

The testing of staff started yesterday and continues today and Friday. We await the results over the next few days.

St. Pat's has a song which was written by Jim Videto, former VP, Building Services and Anne Hurley, Volunteer a few years ago that we use as part of our orientation for new staff and Board members. Jim and Anne are also regular entertainers in the home and have been participating in the televised concerts at St. Pat's over the past few weeks. The Foundation has put together a video using this song which we want to share with you. The video is posted on the Foundation website:

<https://link.spamstopshere.net/u/35a04f4b/otYrlS6r6hGX1gkoh3soMg?u=https%3A%2F%2Fstpatsfoundation.ca%2Fvideo%2F>

Lyrics, composition and performance by Anne Hurley and Jim Videto.

At St. Pat's we are thankful for the teamwork, resilience, compassion, patience, kindness and love that is helping our Home get through the COVID-19 pandemic. Here's to the dedicated staff! Here's to our dear residents! Here's to their loved ones and the volunteers that we miss so much! Here's to our community of donors and the random acts of kindness and generosity provided to our Home.

Be well and safe,

**Janet Morris**  
President & CEO
