UPDATE TO ALL FAMILY AND FRIENDS

Hello, we remain Covid19 free with no positive test results.

Our garden visits started today, and we are so pleased to be able to give everyone a weekly opportunity for an outdoor visit. Thankfully we have a large garden space! I am attaching a picture of the layout for your information.

Given the visits started on a Thursday, we are planning for a week from Thursday to Wednesday. Starting tomorrow, you can call reception and book ahead for 4 weeks from June 25 to July 22, which should be more convenient for you.

This Sunday is Father's Day and we know that you will be bringing in cards and treats for all of the Dad's that live at St. Pat's. Please bring these to the cart between the two front doors for delivery. There will be small celebrations on each home area for the father's living at St. Pat's.

St. Patrick's Home of Ottawa, 2865 Riverside Drive, Ottawa, Ontario K1V 8N5 (613) 731-4660

Spiritual and Religious care programs are ongoing with Mass continuing to be celebrated 6 days per week and televised for the residents who are interested in viewing. Although Fritz Clarke has left St. Pat's, Kevin Quinn, Mary Pilgrim and Father Joseph are continuing to provide one to one visits and support residents. We are in the process of recruiting for the Manager role and while this is ongoing Kathy Thompson, Manager, Recreation and Volunteer Services is providing the management support to the staff. The job postings for the role have been done, and we are hopeful that we will be able to start the selection process 'virtually' in the next few weeks.

Have a great day and stay safe,

Janet Morris
President & CEO
