## **UPDATE TO ALL FAMILY AND FRIENDS**

Hello, St. Pat's remains Covid19 free as of today.

We were able to have garden visits this morning but the temperature outside in the garden is now too hot for safe visits this afternoon. Unfortunately, tomorrow's forecast is even hotter. We will monitor the temperature to determine whether we can safely have visits.

The daily updates will be changed as of next week, with an update on Monday, Wednesday and Friday. We will provide an update if there are any changes to report as necessary but the regular updates will be three days per week going forward.

Stay cool and safe,
