UPDATE TO ALL FAMILY AND FRIENDS

Hello, we are happy to report that we are still COVID-19 free!

We have had a perfect week so far for garden visiting. The residents are enjoying seeing their loved ones and getting some fresh air. Walk-about's are occurring daily, facilitated by the Recreation Team, giving even more residents the opportunity to get outside and enjoy the weather.

Members of Residents' Council are looking forward to meeting virtually this Thursday. Council last met March 5, which seems so very long ago now. Members will participate in a Zoom meeting using the resident computer on their home area. Members are looking forward to connecting with one another and catching up on business.

Stay safe and well,

The St. Pat's Leadership Team
