UPDATE TO ALL FAMILY AND FRIENDS

Hello, we have not received any further positive Covid19 results! Hurray! If all goes well and we do not receive any positive results we should be out of outbreak tomorrow. The outbreak needs to be officially declared over by Ottawa Public Health tomorrow morning, so we cannot confirm until that time. We do not have control of when they will declare the outbreak over. We are however continuing to plan for the outbreak to be over.

As you know Garden visits are being booked and we will plan to proceed. If Ottawa Public Health does not declare the outbreak over, we will call anyone scheduled for a Garden Visit for tomorrow to let you know. If it is declared over, we will just expect people to arrive for the Garden visit. Remember to bring your mask with you for the garden visit!

Anyone planning to come indoors for a visit tomorrow, just a reminder that you must have a negative Covid19 test result within the last 14 days, and you will be asked to attest to this when you are screened. I would suggest calling Reception in the morning after 9:30 am. to confirm whether the outbreak is over before planning to come for a visit. Hopefully we will know by then from Ottawa Public Health.

We look forward to seeing everyone again, and please continue your positive thoughts for the outbreak to be declared over!

Stay cool and safe,

Janet Morris
President & CEO
