UPDATE TO ALL FAMILY AND FRIENDS

Hello,

We are happy to report that we remain COVID-19 free! Visits continue both inside and in the garden. It is a pleasure to see so many familiar faces and the residents are certainly enjoying time with their loved ones.

We will be completing our staff surveillance testing again this week. As in the past, all staff are tested on-site with our own staff completing the swabbing. We should be getting most of these results in by early next week and will be thinking positive thoughts for negative results.

Have a great week!

Be well and stay safe,

The Leadership Team
