## UPDATE TO ALL FAMILY AND FRIENDS

Hello, we are happy to report that we remain COVID-19 free! The results from the staff surveillance testing completed last week are being received with only good news to date.

The Garden Visit schedule to October 4 is attached to this update and is available on the website here: <https://stpats.ca/home/currentmenuand-events-calendar-2/gardenvisitscalendar-2/> Booking is now open for that schedule, please call reception to book your visits. For outdoor garden visiting, please keep in mind the following:

- You must book a garden visit in advance. Please do not arrive for a garden visit without booking your time slot with reception.
- If you have booked a garden visit but are now visiting inside or are unable to attend at your scheduled time, please cancel your visit with reception. We have had a number of instances when a resident is brought down for a scheduled visit but the visitor does not show up.
- If you come for a garden visit and you bring something for your loved one, please drop off the item on the rack located at the front entrance between the double doors before proceeding to the garden.
- Outdoor visitors must wear a mask **at all times** when in the garden.

Be well and stay safe,

*The Leadership Team*
