## **UPDATE TO ALL FAMILY AND FRIENDS**

Hello, we have received no further positive results. All of the residents have now been tested and we await results for them. Staff testing is ongoing this week.

Thank you to everyone for making sure that you are following all of our required protocols and being patient and collaborative with the staff as they provide you with the necessary guidance and direction. We are all in this together for the safety of the residents, staff and our valued family members and friends.

Be safe!
