**UPDATE TO ALL FAMILY AND FRIENDS**

Hello, we have received no further positive Covid19 results today.

We have received a number of the Designated Caregiver forms completed but as a reminder to everyone; in order for someone to visit while we have an outbreak they must be identified as a Designated Caregiver. The Resident living at St. Pat's or the Power of Attorney or Substitute Decision Maker will need to complete the form. There are forms available at St. Pat's and it was attached to the September 9, 2020 update on the website.

Be well and safe,
