UPDATE TO ALL FAMILY AND FRIENDS

Hello, we have started to receive the resident test results from last week and earlier this week and to date all are negative. We have not received all of the results and are awaiting a number of resident results, so far so good! Staff will be letting families know as the results are received.

Coming Soon – We are pleased to let you know that the St. Marguerite d'Youville award will be presented to a staff member once again this fall. This award is given annually to a staff member who has consistently demonstrated the Mission, Vision and Values of St. Pat's. We will be posting the 2020 nomination forms in the next few days. The stained glass artwork of St. Marguerite d'Youville pictured below is the logo for the award.

With thanks,

Janet Morris
President and CEO
