UPDATE TO ALL FAMILY AND FRIENDS

Hello, I am very happy to let you know that we have not further positive Covid19 test results for residents. We have received all of the results for the residents on Kerry, Donegal and Dublin with no positive cases. We have received the majority of the results for the residents on the other home areas and no positive cases. The other results continue to trickle in from Public Health.

As you know we continue to test anyone with any of the typical and atypical symptoms of Covid19 on an ongoing basis as well.

Staff surveillance testing starts again tomorrow and will continue until Friday.

Be well and stay safe by wearing your mask, keeping physically distanced and washing your hands.
