## **UPDATE TO ALL FAMILY AND FRIENDS**

Hello, we have no positive test results today. All staff cases are resolved and everyone is doing fine. We have one resident who is still considered an active case on Wexford.

This year due to the pandemic we cannot celebrate our staff in the same way with an annual dinner and awards ceremony. You will see each week a poster identifying the people who we are celebrating that week for their years of service. We have already had the 5 and 10 years of service awards and this week on Thursday, Nov. 26 we are celebrating those who have been at St. Pat's for 15 years. If you are visiting in the home take a moment to see who is being celebrated and give them your congratulations. The schedule for recognition is: Dec. 3 – 20 years of service; Dec. 10 – 25 years of service; Week of Dec. 17 – 30 and 35 years of service and the announcement of the St. Marguerite d'Youville Award.
