## **UPDATE TO ALL FAMILY AND FRIENDS**

Hello, we have no further positive Covid19 cases and remain outbreak free.

The Family Council has provided a link to a decision tool that may assist families and friends in making their decision regarding visiting in LTC homes. I am attaching the link for your information. <https://link.spamstopshere.net/u/715e3058/VFm0ocgt6xGtFwxRg-oQLQ?u=https%3A%2F%2F covidvisitrisk.com%2F%29>

As we are now out of outbreak, we will return to a once per week schedule each Friday for the update. This will provide a summary of any information from the week. As always if there is a change in any status or to any guidelines we will send an update outside of the regular schedule.

Be well and take care of yourself,
