## **UPDATE TO ALL FAMILY AND FRIENDS**

Hello, Ottawa Public Health continues to review the one positive case on Kilkenny for a sitter who was in contact with one resident. At this point they consider St. Pat's in Suspect Outbreak, requiring full isolation precautions on Kilkenny while they continue to complete their risk assessment. We will keep you informed as soon as Public Health provides additional direction.

Over the next few weeks to start the Christmas celebrations we will be having some theme days. Today there are a number of Christmas hats and antlers on display! Everyone has been asked to wear red and a Christmas hat. Pictures are being taken so we can share these in the next few days.

Next Wednesday, December 16<sup>th</sup> is hot chocolate and Christmas pyjama day. Bring your favourite Christmas mug and wear your Christmas PJs! It would be great for everyone to join in the fun.

Take care and stay safe,
