UPDATE TO ALL FAMILY AND FRIENDS

Hello, we are pleased to let you know that Kilkenny is now off of outbreak precautions. Residents can now have meals in the dining room as per the schedule, small group programs will resume, and residents can go out for a walk in the garden according to the schedule.

A surprise event will be held tomorrow provided by the St. Pat's Foundation. A special concert which will be broadcast from the garden at 1 pm. Residents can view the concert from their windows if they overlook the garden or on channel 50 on their television.

The Ottawa Social Singers will start the performance at 1pm with the Ottawa Gael's Carollers at 2 pm. Quality Entertainment will need to start setting up for the concert at 11:30 am. which will mean the garden will not be available from 11:30 am until after the concert and while the break down of the equipment is completed between 3:30 and 4 pm.

We are very excited about being able to provide this concert provided by these community choirs. Although we cannot have all of the usual concerts and choirs inside this year it will be awesome to have a modified concert to bring some Christmas fun. The event poster is attached to today's update.

Be safe and take care,

Janet Morris
