UPDATE TO ALL FAMILY AND FRIENDS

Hello, we have received no further positive results. Although we have started to receive the resident results from Waterford and Wexford and there are no positive results to date we are still awaiting the majority of the results.

We are so appreciative that OPH will be running the vaccination clinic tomorrow at St. Pat's. We have 90 people booked to receive their first dose of the vaccination! Thank you for responding with such short notice and taking this step to protect yourself, your family, the residents and staff.

Be safe and stay well,

Janet Morris
