

March 10, 2021

## **UPDATE TO ALL FAMILY AND FRIENDS**

Hello, we remain Covid free!

The rapid testing is now fully implemented with staff, designated caregivers and support workers being tested up to 3 times per week. The process is getting more streamlined every day as we work out all of the logistics. Thank you to everyone for your patience while we are learning how best to do all of these rapid tests.

Jo-Anne Clarke, our hairdresser, is back and providing hair services with one home area per day going to the salon. This is a much appreciated service and we are very thankful that it can resume.

March 11, 2021 is the first anniversary of when the World Health Organization declared the global pandemic and our world changed. We will be holding a virtual service to commemorate this anniversary and to look forward with hope to the future. The special service will be broadcast tomorrow at 11am. on Channel 49.

Stay safe and be well,

***Janet Morris***  
President and CEO
