UPDATE TO ALL FAMILY AND FRIENDS

Hello, we are so happy that the Carlow residents are now off of isolation and able to enjoy going outside, having meals in the dining room, going to get their hair done and participating in various activities.

We did have a positive rapid test yesterday, but again the person had not been in the home for a number of days and is not considered a contact and therefore no necessary precautions.

Be well and stay safe,

Janet Morris
President and CEO
