UPDATE TO ALL FAMILY AND FRIENDS

Hello, we remain Covid19 free!

Today we are including the updated garden schedule for June 1 to August 29. We are planning to hold BBQ's this summer for the residents in the garden starting the last week of June. You will see on some dates of the schedule that the 4pm. time slots have a BBQ scheduled. Each home area has two dates scheduled. There will be smaller groups of residents this year to facilitate social distancing, so half of the residents from a home area will attend on one of the dates and the other half will attend the second date. The specific details will be provided at a later date.

A couple of reminders when visiting:

- All visitors must wear a mask **at all times** indoors and **outdoors**.
- General visitors must screen in at the front entrance for visits in the garden or on the grounds.

This week we also received notice that the current accommodation rates for resident accommodation will remain the same until January 1, 2022: 'Due to the COVID-19 outbreak, the annual long-term care home resident co-payment rate increase will be deferred for six months until January 1, 2022'. Please click the link for the bulletin provided by the Ministry of Long Term Care: [Bulletin to Residents of Long-Term Care Homes: Important News Regarding Long-Term Care Home Accommodations Charges](#)

Enjoy the outdoors this week, although we may have to bundle up a bit for the cooler weather.

The next planned update will be on Wednesday June 2.

Be well and stay safe,

Janet Morris
President and CEO
