UPDATE TO ALL FAMILY AND FRIENDS

Hello, we have had no positive COVID-19 results and are very thankful to everyone for keeping the residents safe.

The recent changes to the COVID-19 protocols are going well. We thank everyone for their cooperation and patience.

IMPORTANT REMINDERS: A friendly reminder that masks are to be kept on at all times by both indoor and outdoor visitors. As well, outdoor visitors must enter the building to be screened prior to visiting.

You will see a new shelter at the front of the Home. This area is the area that residents who smoke are being asked to use. This is only for resident use and not for staff or visitor use. The residents will be asked to use this space when they are outside for a cigarette.

Be well and take care,

Janet Morris
