UPDATE TO ALL FAMILY AND FRIENDS

Hello, we have had no positive COVID-19 results and are very thankful to everyone for keeping the residents safe.

An important reminder that masks are still mandatory **at all times** during both indoor and outdoor visits. While masking requirements continue to be in place, eating and drinking with the resident in the building or grounds is not permitted. You can bring in food and drink for the resident but visitors cannot consume it as they need to remain masked for the entire visit. This is to keep all residents, staff and other visitors safe. Non-compliance with the home's policies could result in a discontinuation of visits for the noncompliant visitor.

Public Health educational material on IPAC procedures have previously been provided in the updates and is available on St. Pat's website: <https://stpats.ca/wp-content/uploads/2020/11/IPAC-Education-for-Visitors-FINAL.pdf> Please take a few minutes to review this information regularly for your protection and the protection of the residents, staff and other visitors.

Stay safe and be well,

Janet Morris
President and CEO
