UPDATE TO ALL FAMILY AND FRIENDS

Hello, we have had no positive COVID-19 results and are very thankful to everyone for keeping the residents safe.

An important reminder that masks are still mandatory **at all times** during both indoor and outdoor visits. We have had complaints from both staff and visitors that some visitors are removing their masks. Please pass on this requirement to anyone who does not receive these updates but may be visiting your loved one. While masking requirements continue to be in place, eating and drinking with the resident in the building or grounds is not permitted. You can bring in food and drink for the resident but visitors cannot consume it as they need to remain masked for the entire visit.

Stay safe and be well,

Janet Morris
President and CEO
