UPDATE TO ALL FAMILY AND FRIENDS

Hello, we have had no positive COVID-19 results and are very thankful to everyone for keeping the residents safe.

An important reminder that masks are still mandatory **at all times** during both indoor and outdoor visits. While masking requirements continue to be in place, eating and drinking with the resident in the building or grounds is not permitted. You can bring in food and drink for the resident but visitors cannot consume it as they need to remain masked for the entire visit.

We are also reminding visitors not to arrive between 2:30pm and 3:15pm as both the parking lot and screening area are busy at this time due to shift change. Thank you for your cooperation.

Please share these reminders with family and friends who may visit your loved one but do not receive the updates.

Stay safe and be well,

Janet Morris
President and CEO
