## **UPDATE TO ALL FAMILY AND FRIENDS**

Hello, we remain Covid19 free and will continue to work very hard to ensure that everyone is putting resident, staff and visitor safety first. There are ongoing incidents where family and visitors are removing their mask once outside and in close contact with a resident. This is not safe. Also, please remind all visitors that there is a requirement to screen at the front door prior to visiting with a resident outside. We must all work together to keep residents, staff and visitors safe.

### **Federal Election**

Elections Canada has been in touch with us and informed us that they will be having a voting site here at St. Pat's on September 17, as an early polling station. We will be providing them with the list of residents who are living at St. Pat's so all residents who wish to vote will be able to vote here on September 17.

There will be a specific schedule for residents to vote by home area between the hours of 9am and 6pm, as we will continue to try and cohort residents. The Recreation staff will be assisting residents who would like to vote.

Take care and be well,

***Janet Morris***  
President and CEO
