St. Marguerite d'Youville Award

It's that time of year.....where we are looking for nominations for the St. Marguerite d'Youville Award.

The St. Marguerite d'Youville Excellence Award recognizes the outstanding achievements of employees at St. Patrick's Home Ottawa, who have been on staff for three years or more. The goal of this award is to recognize individuals who have made an outstanding commitment in the tradition and mission of St. Marguerite d'Youville.

The criteria for the award nomination are based on: individuals who have demonstrated personal qualities and exceptional skills, either in their department or throughout the home, as demonstrated in their actions, or the guidance they have provided. These individuals will have made a significant contribution throughout their careers through a combination of reflecting the, Mission, Vision and Values of St. Pat's Home.

The award winner is determined through a selection committee that includes Residents, Family members, Volunteers and staff. The process is meant to be impartial and confidential. Prior to sharing the nomination forms with the selection committee; the Manager of Human Resources removes the names of the nominees from each of the nomination forms. The selection committee uses a matrix to score each nominee based on the categories included on the nomination form.
