UPDATE TO ALL FAMILY AND FRIENDS

Hello, The COVID whole home outbreak continues. Donegal is now also in outbreak. A number of resident cases are now resolved. The number of positive resident cases are as follows:

Galway = 9

Cavan = 4

Donegal = 2

Kilkenny = 3

Waterford = 11

Wexford = 8

Designated caregivers can continue to visit COVID positive residents and must wear the required PPE including masks, eye protection, gowns and gloves and stay in the resident's room for the entire visit. Visiting other residents on those house areas by designated caregivers can continue as well, with eye protection as well as masks. Although the Ministry has indicated that designated caregivers can remove their mask in resident rooms, **we are strongly recommending that masks be worn at all times during the outbreak.** General visitors may not visit while we are in whole home outbreak.

Be well and stay safe,

Janet Morris

President and CEO
