UPDATE TO ALL FAMILY AND FRIENDS

Hello, we do not have any cases of Covid19 at St. Pat's. Thanks to everyone for following all of the guidelines and keeping our residents safe.

Hairdressing services

As previously communicated, Jo-Anne Clarke has announced that she is retiring, and we know that she will be missed. We have been recruiting for a hairdresser although to date we do not have a replacement. We are continuing to advertise and to look for someone to provide services. If anyone knows of someone who is looking to work as a hairdresser we would be very happy to hear from them. Please have them contact: traceysimpson@stpats.ca

Recreation Staff

We are pleased to announce that we have created some new positions for recreation. We have 3 staff members who have moved to a Recreation Aide role in the past few weeks. Please welcome Terri Haslam on the 3rd floor; Shernette Grant on 4th floor and Maribel Cordero on 5th floor. The Recreologist on each floor remains the same. The team of a Recreologist and a Recreation Aide will be providing programs on both home areas throughout the week. We are currently recruiting for a fourth Recreation Aide person and should have that person in place in the next couple of weeks.

The following is the current coverage in place:

Galway – Chaminda Bamunukula

Cavan and Carlow – Jenna King and Chaminda Bamunukula

Dublin and Donegal – Erika Hollander and Terri Haslam

Kerry and Kilkenny - Elizabeth Aga and Shernette Grant

Wexford and Waterford – Susan Vouga and Maribel Cordero

Be well and stay safe,

Janet Morris
