UPDATE TO ALL FAMILY AND FRIENDS

Hello,

We are currently in suspect outbreak on Carlow and Dublin with one positive resident case of COVID on each home area.

Please see message below from Family and Friends Council:

Family and Friends Council Meeting

The Family and Friends Council of St. Patrick's Home would like to invite friends and families to join us at our regular meeting on Saturday, January 28th at 10 a.m. The meeting is held using a Zoom link.

This is an opportunity to learn more about the Home, exchange ideas, receive updates, bring up concerns and receive information on a variety of topics affecting your loved one's care and well-being.

Janet Morris, CEO will be attending the first half of the meeting. She will be discussing the strategic priorities for 2022-2026 and will be available to answer questions. This is an excellent opportunity for everyone including families and friends new to St. Patrick's to learn more about how those priorities will direct future improvements in the care and services provided to residents.

If you are not currently on our email list and would like to learn more about the Council and/or join the meeting, please contact us by email at stpatsffc@gmail.com to obtain the Zoom link.

Be well and stay healthy,

Janet Morris
President and CEO
