UPDATE TO ALL FAMILY AND FRIENDS

Hello,

Hello, today we are out of the suspect outbreak as the positive residents are now cleared and off of isolation. There were no additional positive cases. Great job done by everyone in using the best infection prevention and control practices. Thank you for this commitment for the health of residents, staff and caregivers.

Over the next few months, we will be inviting staff, residents, volunteers and caregivers to participate in some fun activities to Beat the Winter Blues. This will launch next week with the first event of 'Tourist Day' on February 1st. Dress up in your favourite tacky tourist garb and join in the fun. Bring in some sunglasses; sun hats or crazy shirts for your loved one to wear so that they are able to participate. We look forward to seeing all of the tourists at St. Pat's.

Family and Friends Council Meeting

The Family and Friends Council of St. Patrick's Home would like to invite friends and families to join us at our regular meeting on Saturday, January 28th at 10 a.m. The meeting is held using a Zoom link.

This is an opportunity to learn more about the Home, exchange ideas, receive updates, bring up concerns and receive information on a variety of topics affecting your loved one's care and well-being.

Janet Morris, CEO will be attending the first half of the meeting. She will be discussing the strategic priorities for 2022-2026 and will be available to answer questions. This is an excellent opportunity for everyone including families and friends new to St. Patrick's to learn more about how those priorities will direct future improvements in the care and services provided to residents.

If you are not currently on our email list and would like to learn more about the Council and/or join the meeting, please contact us by email at stpatsffc@gmail.com to obtain the Zoom link.

Be well and stay healthy,

Janet Morris
President and CEO
