## **UPDATE TO ALL FAMILY AND FRIENDS**

Hello,

We remain COVID free at St. Pat's! However, we do have a respiratory outbreak (not COVID) on Galway. The families on Galway have been notified. General visitors are not permitted to visit home areas in outbreak, but there is no restriction to the number of designated caregivers that can visit at one time.

### **Hairdressing**

We are pleased to introduce Martin Patenaude, our new hairstylist! Martin is a very passionate hairstylist, having worked in this profession since 2010 and has PSW experience, having worked in this field during the pandemic. Martin is a very patient, kind person who listens to what the clients want.

Martin will be booking appointments for 2 days next week – Tuesday April 4 and Thursday April 6 from 0900 – 1700.

Starting April 10, he will be working every Monday and Tuesday from 0900-1700.

Martin is happy to start scheduling your appointments immediately. You can reach him either by text or by phone at 613-277-0642.

We are thrilled to welcome Martin and know he is looking forward to meeting all of the wonderful people at St. Pat's

Take care and stay healthy,

***Janet Morris***
