## UPDATE TO ALL FAMILY AND FRIENDS

Hello, as life is starting to return to normal, it is sometimes easy to forget our current infection prevention and control protocols.

- Masks continue to be required at all times in St. Pat's with only one exception. You can remove your mask in your loved one's room if you choose. You must put your mask back on whenever you leave your resident's room.
- If you do want to eat or drink while at St. Pat's, you must be at least 6 feet apart from others when your mask is off.
- Please continue to practice good hand hygiene.
- If you do not feel well, do not come to visit.

### **National Nursing Week – May 8 to 14, 2023**

Next week is National Nursing Week and we are holding some celebrations for the staff. We wish to acknowledge the hard work and compassion of all of our Registered Nurses, Registered Practical Nurses and Personal Support Workers!

Please take a moment to thank our wonderful staff for all of their hard work and dedication to the residents who live at St. Pat's.

### **Bulletin Boards**

Unfortunately, we are seeing some notes and comments being written on material on various bulletin boards. We are reminding everyone to please not write a comment or ask a question on any documents posted on the bulletin boards. If you have a question or a comment it would be appreciated if these are directed towards the author of the document. We believe that this would be a much more productive and respectful way to address any questions or comments.

**A Message from St. Patrick's Family and Friends Council**

**Meeting Notice**

A meeting of Council is scheduled for this Saturday May 6<sup>th</sup> at 10 a.m. The meeting is held using a Zoom link.

Families and friends who are not currently on Council's email list are invited to attend as well. You can contact us at [stpatsffc@gmail.com](mailto:stpatsffc@gmail.com) to obtain the Zoom link.

All families and friends are invited to attend to exchange ideas, receive updates, bring forward concerns and receive information on topics affecting their loved one's care and wellbeing
