## UPDATE TO ALL FAMILY AND FRIENDS

Hello, it is wonderful to see the warmer weather and to see many people outside enjoying the sunshine this week.

There are no outbreaks at St. Pat's.

This week is Nursing Week and as mentioned in the update last week we are having a few events for the staff. Spiritual and Religious Care is doing a Blessing of Hands, there is a BBQ for staff and a candy cart is being provided on the home areas. These are small events to recognize the dedication and hard work of the nursing staff at St. Pat's. Please take a moment to thank them for the work they do every day.

Be well and stay safe,
