UPDATE TO ALL FAMILY AND FRIENDS

Hello,

Once again, I am very happy to report that at this time we have no outbreaks. We have had some individual residents who have had some respiratory symptoms who were in isolation but there is no outbreak.

We are encouraging our residents to remain indoors while the smoke advisory is in place. We know that this is difficult for some and we are monitoring residents for any respiratory impact.

Cable Channels

Just a notice for those residents that have our Shaw cable package, channels 12 and 38 have been switched. 12 is now AMC-494 and 38 is Vision-281

Stay safe and indoors!
