UPDATE TO ALL FAMILY AND FRIENDS

Hello,

We continue to be outbreak free at St. Pat's.

Music in the Garden

We are pleased to let you know that starting July 10th and for the following 3 Monday evenings at 6:30 pm there will be a musician who are going to be playing in the Larry Kelly Family Garden. A violinist will be there for 2 of the Mondays and a guitarist will be there the other 2 evenings. Please feel free to join them in the garden to enjoy. This is not a formal program but a bit of fun in the summer when you are visiting with your loved one.

Happy Father's Day

Happy Father's Day to the father's who live and work at St. Pat's. Here's hoping that you have a great day and get spoiled.

Take care and stay healthy,

Janet Morris

President and CEO
