UPDATE TO ALL FAMILY AND FRIENDS

Hello, it looks like summer has now arrived! It is lovely to see people enjoying the outdoor spaces.

We have no outbreaks at St. Pat's. Continuing efforts to follow the required infection prevention and control procedures are appreciated.

10th Anniversary Celebration on June 27th

We are looking forward to the launch of our 10th anniversary celebrations next week. The food and beverages being served at the event will not be texture modified, however, the regular snack served to residents on that day will be available at the event. As some residents have provided an RSVP that they are attending with a family guest we wanted to make you aware of this option.

Hairdresser

Just a reminder that our hairdresser Martin is in every Monday and Tuesday. To book an appointment you can email Martin at st.pat'sbeautysalon@stpats.ca or call or text him directly at 613-277-0642.

Enjoy the warm weather and the sunshine on the longest day of the year!

Janet Morris
