UPDATE TO ALL FAMILY AND FRIENDS

Hello,

St. Pat's has no outbreaks at this time. As you know there are increasing numbers of Covid cases in the community. We need to ensure that we are all aware and following good infection prevention and control practices. Remember if you are not feeling well, do not come and visit! As a reminder to everyone we have attached some educational materials for your review.

Ice Cream Truck

Thanks to the generous offer from a resident's daughter there will be an ice-cream truck on site on Sunday, September 10th between 2 pm and 3 pm. They are reducing the cost of ice-cream cones to \$3 each. Sounds like a great deal and a fun time for everyone!

Stay well and keep cool,
