## **UPDATE TO ALL FAMILY AND FRIENDS**

Hello, I hope that everyone is coping with our change of weather and the winter season approaching. How is it that every year we are shocked by snow arriving?!

We are outbreak free at St. Pat's.

### **Pest Control Measures**

We have been completing ongoing treatments for insects and pests at St. Pat's at least monthly. The next date for treatment will be Monday, November 6<sup>th</sup>. The treatment will be done in the satellite kitchens and service area on floors 2 through 5 starting at 7pm. The service areas will be tarped and sealed, as well the ventilation will be turned off.

There will be no access to these areas from 7pm to 11 pm.

Cleaning of all areas treated will commence at 11 pm.
