UPDATE TO ALL FAMILY AND FRIENDS

Hello, we remain outbreak free here at St. Pat's!

RSV Vaccinations

The resident RSV vaccinations started last week for those with consent in place. We anticipate that this process will be completed in the next two weeks.

Wear your Christmas Gear!

We are "gearing" up for the Holiday Season at St. Pat's! Tomorrow everyone is invited to wear their Christmas gear, sweaters, socks, earrings... whatever you have that shows your Christmas spirit!

Stay warm and safe,

Janet Morris

President and CEO
