Statement of Commitment

St. Patrick's Home of Ottawa is committed to excellence in serving persons within its community including people with disabilities and will carry out its functions and responsibilities in an appropriate manner to accommodate such individuals.

St. Patrick's Home is also dedicated to giving people with disabilities the same opportunity to access our services, and allowing them to benefit from the same services, in the same place, and in a similar way as others in our community.

St. Patrick's Home is committed to, and will strive to ensure that, the *Accessibility for Ontarians with Disabilities Act (AODA), 2005*, its regulations, standards and all other relevant legislation concerning accessibility, are observed in a timely fashion. Our response times will be contingent on various factors, including the nature of the task, product availability, and the accessibility of skilled experts to ensure efficient completion.

The Ontarians with Disabilities Act requires communities to prepare an annual Accessibility Plan. This Plan establishes a benchmark and strategy for St. Patrick's Home to become a barrier free community.
