UPDATE TO ALL FAMILY AND FRIENDS

Hello and Happy New Year,

I am very pleased to let you know that the outbreak on Carlow is closed and we do not have any outbreaks at this time.

Continence Product Survey

We are looking for feedback from families regarding the continence products used at St. Pat's. **If your loved one uses continent products**, please use the link below to complete the survey. It should only take a minute or two to provide your responses and your feedback would be much appreciated.

Retirement Announcement

I would like to inform you that I have made the decision to retire. Although this has been a difficult decision, it is time for me to move onto the next chapter in my life!

I have had a long career in health care, primarily in LTC homes and I have been very fortunate to have worked with many very dedicated, compassionate and kind people. These people have been why I loved coming to work each day and why this decision has been very difficult!

I will miss the staff, residents, families and volunteers who are committed to making life better at St. Pat's.

I will be leaving St. Pat's as of March 1st, 2024. The Board of Director's will be recruiting for a new person to take on the role of President and CEO for the future.

Be well and stay safe,

Janet Morris
President and CEO
