

St. Patrick's Home of Ottawa - Contacts

We encourage residents and family members to express opinions - compliments as well as concerns. The first step is to go directly to your **Registered Practical Nurse (RPN)**. They may not be aware of your concern and simply sharing it with them may be the quickest way to resolve a problem.

Please find below a list of phone extensions for the care team on **Dublin**, as well as other numbers you may find useful.

Reception: 613-731-4660 (lobby), Direct Line: 613-731-0094 (then ext. #)
