## **UPDATE TO ALL FAMILY AND FRIENDS**

Hello,

### **Outbreak Status**

We are currently outbreak free!

### **St. Pat's Website**

Did you know that we post the current menu and recreation calendars on our website? Please use this link <https://stpats.ca/home/currentmenuand-events-calendar-2/> if you are interested in what meals and/or activities are planned for today or are coming up! There is a home wide recreation calendar that includes the larger group events, as well as a calendar for each of the resident home area specific activities. We hope that you will find this information valuable.

Be well and stay safe,

***Monique Patterson***

Interim President and CEO
