

St. Patrick's Home of Ottawa

Complaint Process

To make a complaint, we encourage you to contact the Home directly.

Complaints should be brought forth and escalated as follows:

You can speak to the Personal Support Workers or Registered Practical Nurse on your loved one's home area about your concern. They are usually able to address your concern immediately.

If you are not satisfied with the resolution of your concern, please speak to the Registered Nurse on your loved one's home area or one of our Social Workers.

If the concern persists, please speak to a Manager (Reception can help direct you to the appropriate person).

A Contact List for the Management Team is included at the end of this document. The manager will contact you to follow up within ten days of your complaint.

If despite all of this, you are unable to have your concern resolved, you can contact the President and CEO.

At any time, you are welcome to contact the Ministry of Long Term Care or the Patient Ombudsman as per the information attached. This contact information is also posted in the front lobby.
